NAVY DEPARTMENT READY TO OPERATE ITS OIL RESERVES

Wilbur Expresses His Pleasure at Decision of Federal Court

DOHENY PLANS TO APPEAL HIS CASE

Jurist Holds President Harding Exceeded His Authority

(Associated Press)

NEWPORT, R. I., May 29—The Navy department already has made plans to administer the naval oil reserve, in view of such decision, as was rendered by the federal court in Los Angeles yesterday, declaring void the Elk Hills lease and contract to the Doheny oil interests, Secretary of the Navy Wilbur said today.

"We are very much pleased with the decision of the court," Secretary Wilbur said. "We have been planning to administer the oil reserve in view of such a decision and Rear Admiral Harry H. Rousseau, civil engineer corps, attached to the Bureau of Navy Yards and Docks will be placed in charge, acting immediately under the direction of the secretary."

Secretary Wilbur came to Newport today to attend the graduating exercises at the Naval War College.

LOS ANGELES, May 29—Branded by the federal court as trespassers on the oil lands of the United States, the Doheny oil interests prepared today to carry to a higher tribunal the decision handed down yesterday by Judge Paul J. McCormick, ordering them to give up for cancellation their leases of the naval oil reserve number, California, and their contracts for construction of oil storage facilities at Pearl Harbor, Hawaii.

Two reasons for declaring the Elk Hill leases void are cited by Judge McCormick. First, the fraud upon the United States involving E. L. Doheny's payment of \$100,000 to Albert Fall, then secretary of the interior, and second, the transfer by President Harding of naval oil reserve control from the navy to the interior department in excess of his executive authority as president.

The decision points out that Fall was very active in procuring the transfer to his department, but did not resort to any "false fraudulent or untrue representations of fact in persuading the President to order the illegal transfer."

28 Bodies Taken From Mine Depths

(Associated Press)

COLD GLEN, N. C., May 29—Twenty eight bodies had been taken from the bowels of the Carolina Coal Company's mine here at eight o'clock today, while four others were declared close to the 3,200 foot level and rescue workers said they would be brought to the surface shortly.

Officials estimated that 20 other miners were entombed in the 200 feet between the 2,300 foot level and the end of the main shaft.

Seven Killed As Train Is Derailed

(Associated Press)

LONG VIEW, Texas, May 29—Derailment of an International and Great Northern passenger train, two miles from here last night, resulted in the deaths of seven persons. Nearly a score were injured and some of them may die.

TWO DEFENDANTS FINED

Two defendants were fined in the Albany courts today. One charge of being intoxicated on the streets of the city was given a penalty of \$26.60. The case was appealed. Officers Stewart and Thompson made the arrest.

Another was charged with speeding and fined \$26.60, the case was likewise appealed. Traffic Officer M. J. Mitchell made the arrest.

Held as "Gun Flapper"

KATHARINE LOUISE ZARAMBA.

Katharine Louise Zaramba, nineteen, was arrested in Chicago, together with another girl and three youths, all of whom were charged as acting as a band of taxi bandits. She confessed, according to police, that she wielded the revolver in the hold-ups while her companions went through the pockets of their victims "because it thrilled her."

VANDERBILT HELD AT MERIDIAN, MISS.

SMUGGLING AREA FOR ALIENS MOVES

Millionaire Stopped By Police Who Thought Him Rum Runner

(Associated Press)

MERIDIAN, Miss., May 29.—Three local policemen and Cornelius Vanderbilt, Jr., millionaire editor and publisher, were recovering from a shock today, for the police, who arrested young Vanderbilt last night, thought they had the king of all rum runners and Mr. Vanderbilt had the experience of being arrested as a suspected rum runner. He is on a cross-country trip from New York to California.

Police had a tip a large automobile, carrying liquor, was headed toward Meridian at around 35 miles an hour. The police took up the case but failed to overhaul the touring car, which they felt sure was a rum runner.

"I'm Cornelius Vanderbilt," said one of the occupants of the suspected car as he reached out and shook hands with L. C. Monette, special officer who started questioning the suspect.

"I'm Rockefeller," replied the officer, not to be outdone. He and his companions took the machine and its occupants to police headquarters and their baggage was searched thoroughly.

There Mr. Vanderbilt established to the satisfaction of everyone that he was really the young millionaire. The man with him was John W. Brodix, his secretary.

Apologies followed and police said that on leaving, Mr. Vanderbilt, who had seen the humor of the situation, called out to Mr. Monette, "Well, so long Mr. Rockefeller."

Mr. Vanderbilt spent the night at a local hotel and left shortly after noon today for Jackson, Miss.

Officials Eastern Star To Be Here

Mrs. Anne Wynne Dillard, Worthy Grand Matron Order of the Eastern Star of Alabama and Mrs. Julia Beauchamp, Associate Grand Matron of the State will attend the official meeting of Mizpah Chapter to be held on June 2.

The occasion is the annual meeting of the local chapter and an unusually large attendance is expected.

Peninsular Patrol Now Clearing Florida Coast Line

(Associated Press)

WASHINGTON, May 29—The smuggling of European aliens from Cuba to the United States, Assistant Secretary Husband, former immigrant commissioner, said today is being diverted from the Florida peninsula toward New Orleans and Charleston, S. C., due to the vigilance of the peninsular patrol.

Some 700 immigrants who entered the country illegally have been arrested in the Florida district since July 1.

Establishment of the border patrol Mr. Husband declared has made the Florida route unpopular for the illegal entry of immigrants, adding that he hoped to see the patrol a picked body of men, comparable to the northwest mounted police and the Texas rangers.

European immigrants who aim to enter the United States illegally, via Cuba, are, for the most part, the secretary stated, ferried across in small bootlegging crafts. They use Cuba as a stepping stone to enter his country, some going from there to Tampico, in the hope of crossing the Mexican border. In the past this has been difficult and expensive.

In Cuba many of the immigrants are awaiting a chance to enter the United States and become street peddlers.

Body Of Woman Discovered Today

(Associated Press)

NEW YORK, May 29—The body of Florence Kane, 30, with the clothing virtually torn off and the skull crushed was found in a vacant lot half a block from her home in Brooklyn today two diamond rings remained on the girl's hands, indicating that robbery was not the motive of the killing.

Miss Kane had been to the theater last night and at midnight telephoned her mother she would be home in half an hour. Nothing more was heard from her until the body was found.

STATE EDUCATIONAL CHIEF IS HEARD BY SENIORS IN DECATUR

John W. Abercrombie
In Inspirational Talk
At High School

DIPLOMAS GIVEN TO 12 GRADUATES

Growth of Schools of
Alabama Reviewed
By the Speaker

The music and expression recital to-night by the pupils of Miss Lucile Bailey, teacher of music and Mrs. D. A. Draper, teacher of expression, will bring to a close the commencement season at the Decatur high school.

Students of the school will return to the building Saturday morning to receive their certificates of promotion it was announced today by Superintendent W. W. Benson.

Diplomas were granted last night to the twelve members of the graduating class, following a splendid address by Dr. John W. Abercrombie, state superintendent of education.

Superintendent Benson presided at the exercises. The spacious auditorium of the Decatur high school was filled by an interested audience and the large stage was attractively decorated for the occasion.

Rev. J. D. Wallace, pastor of the First Presbyterian church, delivered the invocation, and Mr. Benson introduced S. A. Lynne, member of the board of education, who fittingly introduced the speaker of the evening, Dr. Abercrombie.

The latter, who is regarded as one of the foremost educators of the south, devoted a large part of his inspirational address to discussion of the progress being made in Alabama by the educational institutions.

He told of the splendid opportunities offered the educated young men and women, as compared with those who have lacked education. He reviewed the growth of educational institutions in the state, showing that in the current year 6,000 young men and women would receive their diplomas from Alabama high schools. He encouraged the class of '25 to continue their pursuit of knowledge in the higher institutions of learning.

He spoke of the spirit of persistency, which had enabled the graduating members of the class of '25 to overcome the obstacles which they had encountered during their high school life. For every graduate who successfully concludes a high school course, there are many others who begin their course but never complete it, he pointed out. This spirit of persistency and application in the accomplishment of things worthwhile will stand the students in good stead in solving the difficulties and the problems of life in after years, he reminded his hearers.

The diplomas were awarded to the graduates by D. D. McGhee, of the board of education.

A novel feature of the presentation of the many remembrances received by the graduates, was the series of night letters, delivered to them from friends and well-wishers by telegraph.

(Continued on page two)

Kiwanians Visit Neighbor Clubs

Members of the Morgan Kiwanis club sent out by the Inter-Club committee in connection with the meeting that is to be held here on June 11, returned today reporting that every club in the northern district has gone on record to attend the meeting to be held here.

Kiwanians C. C. Davison and John L. Proctor visited the Huntsville club M. R. Rankin and C. W. Matthews were in Sheffield the earlier part of the week where they attended the meeting of the Sheffield unit Dr. L. F. Goodwin appeared before the Tuscaloosa club. Delegations have formerly been sent to the Florence, Cullman and Athens clubs.

Indications point now to at least 300 Kiwanians being present on that date.

SPLENDID ADDRESS BY PROF. BURGIN AT ALBANY GRADUATION

Fifteen Hundred Pack
Princess Theater for
Exercises

THIRTY - SEVEN IN GRADUATION

"Successful Failures"
Subject of Carolina
Professor

Annual commencement exercises of the Albany high school were witnessed by approximately 1,500 people at the Princess Theater Thursday evening, when a splendid address was given by the class of 1925 by Prof. William G. Burgin, of Winthrop College, Rock Hill, C. S. Many hundreds were turned away from the theater, unable to find even standing space. An unusually enjoyable musical program was rendered by students prior to the opening of the commencement address.

The stage of the theater was decorated in vines and fern sprays with baskets of purple and gold flowers, the school colors, placed at either end and in the center of the stage.

Misses Earline Johnson and Frances Watkins opened the program with a pleasing piano duet. Miss Johnson was accompanied in a violin number with Miss Watkins at the piano. Mrs. H. O. Troup conducted a student chorus composed of undergraduates in two selections, Miss Johnson was at the piano. Reverend A. N. Pendleton delivered the invocation.

Superintendent R. W. Cowart introduced the principal speaker of the evening.

Prof. Burgin reminded his hearers that he was addressing the students of the graduating class and not the audience and launched into the powerful and inspiring address, "Successful Failures." The speaker dealt with the practical and not the theoretical side of his subject, using striking illustrations for the lives of great men, the lives of small men and women.

He called attention to the fact that a man may be regarded as a failure by his own contemporaries and be recognized as a success by future generations. He spoke of the historical characters who first failed in one line of endeavor and then succeeded in work to which they were more well adapted. He regarded the man who was ever groping for a suitable work as the recognized failure. The speaker held Socrates, Robert E. Lee, and Woodrow Wilson as the "sublime failures" of the world's history, men who were thought of as failures in their own time and whom were later recorded in history as the world's greatest men.

The speaker declared that every village contains failures from the standpoint of the world, but who are after all successful within themselves. He paid a tribute to parents in reminding the graduating class of the sacrifices that their parents had made in aiding them in school work. This beautiful lesson was concluded as the

(Continued on page two)

FOUR INDICTED

(Associated Press)

CHICAGO, May 29.—Four Little Rock, Ark., men were indicted today by the federal grand jury, charged with conspiracy to conceal part of the \$2,000,000 loot of the Roundout mail robbery last year.

The Twin Cities are over the top for the Boy Scouts. This cheering announcement was made this afternoon by Charles H. Rountree, general chairman of the campaign for \$1850 which will be used to obtain the services of a supervisor, who will devote all of his time to development of the Scout patrols in this immediate territory.

The Albany committees this afternoon had raised a total of \$1249. Mr. Rountree stated. The Albany solicitors were: F. D. Peebles, J. L. Proctor, Dr. F. L. Carswell, A. C. Dilley, Harry Wyatt, Lamar Penney, Charles Rountree and Rev. L. F. Goodwin.

The Decatur committees raised \$840.

The Little Rock solicitors were: I. V. Timberlake, Rev. C. C. Davison, Rev. J. D. Wallace, F. S. Hunt, W. M. Bailey, A. A. Jones, F. M. Robertson, A. T. Hanson.

The Boy Scout movement, which was sponsored a year ago by the Exchange Club here, has made rapid strides and now that an all-time supervisor is to be obtained, it is believed the development will be even more rapid.

Following the services of dinner, the club was led in song by M. R. Rankin secretary.

Mr. Godfrey's talk was interesting and instructive throughout, showing the various advantages and the purposes of the building and loan. The address was declared today to have been one of the best on the club's program thus far this year.

Guests of the club were Dr. W. G. Burgin and Dr. J. L. Gunter, the guests of Prof. R. W. Cowart and Dr. John W. Abercrombie, the guest of Prof. W. Benson.

Miss Bernardi Will Take Summer Term

Miss Gladys Bernardi plans to leave in the next few days for Birmingham where she will attend the Curry school during the summer term in preparation for entering the "Little Theater" work in that city next fall.

Miss Bernardi has been a teacher of expression in the Albany school system for the past few years. Her work in that institution has been most successful. She has directed and staged some of the best local talent plays that have been presented Albany-Decatur audiences.

"I was here on business," he added,

"but I had a darned good time and that goes, despite some of the foolish stories that have been printed. But it was wonderful down there. Why I can arrest folks and everything."

All-night cabarets, at which he was recently seen with Fawn Gray, a dancer, and to whom he is said to have given a \$5,000 diamond bracelet.

Indications point now to at least 300 Kiwanians being present on that date.

Skeletons Found In Heart Of City

(Associated Press)

HAVANA, May 29.—Laborers working on the historic Santa Clara convent, in the heart of Havana, yesterday came upon a subterranean passage that led to a catacomb, containing approximately 100 skeletons.

It is believed the catacomb was used by Clarisian nuns.

MADE NEW MAN OUT OF HIM

Thought He Would Never Be Well Again Before He Used Herb Juice

"Several months ago I thought I would never be well again. Today I feel like a new man, thanks to the wonderful results I have had from Herb Juice, and I can certainly recommend this medicine to anyone," said Mr. Sam Massey of Donelson, Tenn., when he called to see the Herb Juice man a few days ago. Before I used your medicine," continued Mr. Massey, "I was in such a rundown condition, brought on by years of suffering by stomach trouble, that I had given up all hope of ever being well again. I also suffered a great deal with my kidneys and was badly constipated all the time. My whole system seemed to be full of poison, liver was sluggish, then to make matters worse, I began to suffer with rheumatism. I tried first one medicine, then another, but it was just the same money spent for no relief.

"Then I was fortunate enough to hear about Herb Juice, which I want to say to you is the greatest medicine I have ever used. In all I have now taken three bottles of Herb Juice and I simply feel like a new man. My bowels act regularly. I eat all I want and never have any trouble with my stomach. My kidneys and liver are in good shape and I have gained several pounds in weight. I have also been relieved of rheumatic pains. Herb Juice has certainly proved its value to me and I can recommend it to anyone."

Herb Juice, the great medicine, that is accomplishing such great results in the way of relieving sufferers is now being introduced in Albany by Cadell Drug Co.—Advt.

Baptist Meeting To Be Held at Danville

Moderator Jas. A. Forman of the Morgan County Baptist Association announces a fifth Sunday meeting to be held at the Baptist church Danville, Sunday, May 31st.

Mr. Forman and other laymen and pastors of the Association will be present at the morning services. After dinner is served other pastors and laymen including Dr. C. C. Davison of Decatur and Rev G. C. Walker of Hartwell will arrive and address the meeting.

Moderator Forman and his associates are holding some interesting meetings over the county discussing fundamental and important subjects relating to a deeper spiritual life and more efficient church work.

All Baptists of the County are invited to attend this meeting at Danville. The local people expect a good crowd and invite the members of the other Baptist churches to come and get the benefit of this meeting with them.

Mr. Forman and other laymen will conduct a similar meeting at Rock Creek church in the South Eastern part of the county the first Sunday in June.

BROTHERS KILLED

(Associated Press)

ERIE, Pa., May 29.—Two brothers were killed instantly here today when an airplane, in which they were making a test flight, fell 3,000 feet, burying them beneath a mass of debris.

Splendid Address By Prof. Burgin At Albany Graduation

(Continued from page one)

speaker declared that "He who would save his life, must lose it in the service of mankind." So earnest and sincere was the address of Mr. Burgin that his hearers remained silent at the conclusion for a moment, almost spellbound in the effect of the beautiful yet practical talk.

Prof. R. B. Johnson welcomed the students coming into the high school next year and gave statistics showing the high rank of the local school compared with the other cities of the state. Albany high has maintained an enviable record. Mr. Johnson announced that Miss Mildred Bell and Miss Geneva Eubanks had attained the highest averages for the four year high school course. Miss Bell has an average of 95.3 while Miss Eubanks was next with a 91.4 average.

B. L. Malone and R. W. Cowart took occasion to thank the organizations of the city, the city government, the county board of education, the press, the faculty and patrons for the aid that has been extended the system during the year. Professor Cowart stated there were 37 graduates rather than 36, Miss Ruby Motes having been inadvertently left from the list.

B. L. Malone presented the graduates with their diplomas, the reward of years of school work. Professor Cowart requested that former graduates stand in the audience and sing with the students, the "Alma Mater". Congratulations were extended to the graduates at the conclusion of the program.

Cause Of Women's Peculiar Suffering Is Now Explained

Quick Rise of St. Joseph's G. F. P. To Popularity Proves Claims Of Its Discoverers.

Very few women know what goes wrong with their system when they begin to suffer from headaches, nausea, cramping spells, pains in the back and sides, and that awful dragged-down and tired-out feeling. They realize that something serious is the matter but they are unable to explain it.

As these unfortunate women keep more to their homes because of the self-consciousness of their condition, no longer taking any interest in the pleasures of life or the society of their friends, it is common for them to say they are suffering from "Female Troubles." But this is a term which does not explain the cause of their pain, nervousness, sorrow, drawn faces, undernourished bodies and depression either to themselves or their friends.

The discoverers of G. F. P. found and proved beyond a doubt that Cataract of the Generative Organs is the dreaded enemy which is causing women most of the cramping, nervousness, headaches, backaches, pain in the side and legs and that awful depressed and melancholy feeling which accompanies these distressing symptoms.

This important discovery puts an end forever to hit and miss methods of treating the ailments of women because it put at rest all doubt concerning the cause of their suffering.

Women Now Depend on St. Joseph's G. F. P.

To Restore Their Vitality

DAVIS MAY APPEAR IN SCOPES HEARING

Democratic Candidate Says He Does Not Know of Plan

(Associated Press)

CHICAGO, May 29.—Special dispatch to the Chicago Tribune from Dayton, Tenn., says that John R. Neal, counsel for J. T. Scopes, indicted teacher of evolution, announced that John W. Davis, presidential candidate in the last election, would be sought as one of the constitutional lawyers to take the case to the supreme court.

NEW YORK, May 29.—Advised of a dispatch saying he would be sought as a constitutional lawyer to carry the case of J. T. Scopes, teacher of Dayton, Tenn., indicted for teaching evolution, to the supreme court, John W. Davis said Friday he had not heard his services were being sought. He declined to comment.

12 Years Ago From The Daily of TODAY

May 29, 1913

The site for the Benevolent Hospital is secured. The building will be constructed on a plot 300x600 feet on Somerville pike.

Richmond Pearson Hobson will speak at the Masonic Theater tonight. Admission is free.

Dr. Ambrose T. Grayson is to locate here shortly. Dr. Grayson came from Shawnee, Oklahoma, to Huntsville, Ala., and will come from that city here.

T. A. Rose of Frisco, Texas, is here for the first time in nearly forty years, the guest of his brother, J. J. Rose and his sister, Mrs. A. E. Tidwell.

Master Charles Malone is entertaining his little friends this afternoon.

Mr. and Mrs. Poyphree and Miss Mable Perie of Henderson, N. C., are the guests of Mr. and Mrs. W. E. Perie.

Guess Colonel Mapother is convinced that the Southern Serves the South after the Huntsville incident.

The Louisville Boosters were certainly a lively bunch of fellows. That's what plays a great factor in the building of a live and wide-awake town.

Fall, Doheny, and Sinclair are indicted again, all of which leads to the belief that one Uncle Sam is stirred into action it is about the hardest thing in the world to throw him off the trail.

Six thousand people heard Charles G. Dawes and Oscar Underwood talk of the revision of Senate rules and we doubt that any but Charles and Oscar knew what it was all about after the session was over.

It is estimated that the Rum Row clean-up is going to bankrupt the country. Yes, we have heard these calamity howlers at their favorite practice heretofore. That is the reason we do not care to hear from them again. Experience is a splendid teacher.

Nashville has one thing on the Louisville claim. The Nashville fellows walked the full distance from Decatur station to the Masonic Theater while the Louisvillians, many of them, fell back into the waiting automobiles of the Twin Cities. Well they didn't come here for walking competition anyway.

Another cheerful note is sounded from the regions of the North Pole where Amundsen and his party seem to have become attached. Dispatches state that the mail from that section of the world will be received about this time next year. Wouldn't that be hard on the bill collectors on the first of the month.

We do not know if William Darling Shepherd is guilty of the charge that has been brought against him in the murder of young William McClintock, but we do believe in the old saying, "where there is smoke there is bound to be fire." There have been charges of bribed jurors, threatened lives, and the finger of suspicion points toward Shepherd from the start.

How often do we notice, this time of the year, news of someone being drowned? The papers carry such stories every day. Sometimes it is the fool who rocks the boat, again it is the love of chance when some swimmer risks his own qualities against one of the strongest forces of nature. Ordinary care will prevent the yearly toll of lives taken in our rivers and streams.

The Kiwanis meeting on June 11th is going to be one of the greatest events held in these cities in many months. Leaders from every city and town in the Valley will gather to discuss problems that face us all. They are trying to place the most advantageous plans into running order.

This world is a funny universe. A man is trapped in a Kentucky cave and millions of people are interested, giving of time and money to help him out, of course that part of it is as it should be. Dayton, Tennessee, starts a fight on evolution which very few of us know anything about and which very few of us will know anything about after the fight is over. From fifty to sixty-five

A PLEA FOR THE PASSAGE OF A MILK ORDINANCE; THE NEED OF THE ANTI-MOSQUITO CAMPAIGN

For several weeks now the columns of The Daily have been full of news stories telling of the plans of the Morgan county health unit, giving statistics showing the value of a milk ordinance where it has been put in practice, telling the story of the anti-malaria-mosquito fight of last year. We have not taken either side in the news columns of this paper, believing that the news columns of every newspaper are open for the news alone. We believe that the editor's columns should be reserved for the opinion of the newspaper on important subjects of local and national character.

Now we come to you with a plea to aid in the eradication of the ever-present mosquito and fly pests, spreaders of disease, carriers of germs, destroyers of health wherever they appear. The health department of our cities and county has been struggling through the first part of this summer working with the small capital that has been allotted them in an effort to maintain the record that they established last year. There was only one case of malaria reported in this section last year; it was due alone to the efforts of the health department that this was accomplished, but they will have to have money if the same policy is adopted and carried forward this year. They have \$200 of the necessary \$800 in sight. Where is the other \$600 coming from?

It may not be necessary for you to donate individually, you may not be called upon at all, but you can do a glorious work in supporting the movement in the various clubs and organizations in these cities through which medium the necessary funds can be realized.

Here is a story of interest from the Selma Times-Journal. The article is timely and can be applied locally if it springs from a source only a few miles to the south of us:

"A dispatch from Cullman states that typhoid has broken out at several places in that country, and there are three cases in the family of A. B. Burkes on Cullman, Route No. 2. There is another case at the home of Mr. and Mrs. J. F. Johnson in the same community. Dr. R. B. Dodson has had the well tested at the Burke home and found the water to be infected with typhoid germs."

"Along about midsummer in the cities there is always a marked rise in the number of cases of typhoid, dysentery, stomach trouble and malaria. The rise continues until cold weather, and then gradually dies down. It is the result of disease caught by town folk on their vacations and brought back to town. Vacationists go to resorts, or to visit in the country. They drink water from polluted wells and springs; eat food that has been exposed to flies, and are bitten by malaria carrying mosquitoes. The great wonder is the toll of death and disease is not greater.

"Country people are notoriously careless about sanitation. One of the major problems of the health authorities is to convince the rural people of the danger of infecting others, where say, a case of typhoid occurs. Somewhere in that Cullman community, the first case manifested itself, and carelessness has spread it. An underground water supply has probably carried it to this well. Flies have spread it.

"So, motorists go gaily forth, drinking water at wells and springs they know nothing about; eating food that has not been properly protected from flies—and sleeping where mosquitoes can bite them—then wonder how on earth they got the typhoid or the malaria! They stop at dreadful insanitary little barbecue and pop stands, eat barbecue meat that probably the flies have been crawling all over—and the cannot figure out where the malignant case of dysentery came from. They drink pop and other soft drinks at these places; the bottles having been in a mess of ice and water into which hundreds of times a day filthy hands have been thrust to bring the cold bottles forth. Usually around these places there are from one to three volunteer helpers, and the only washing their hands get is when they are thrust into the ice water to bring forth the bottles for customer. And the customer pops the neck of the bottle in his mouth without even wiping it—and wonders where he got typhoid!

"Summer is the dangerous season. If motorists go out on a long trip, it is a mighty good idea to take a thermos bottle or jug of water above suspicion; to inspect the ice box from which soft drinks come, and to avoid entirely the sandwiches at the average insanitary roadside stand. Typhoid gets into the system in only one way; through food or drink and the same is true of dysentery."

Is it not time to think of eradicating pests when the matter comes to within our very doors? Shall we end loathsome disease that is spread each year by these carriers, or shall we stand back and let North Alabama maintain the same reputation that she has had in the past, with the exception of the last few years since the beginning of the noble and remarkable work of the health unit, for having able-bodied mosquitoes and sickly, tired-out, broken men and women? Laziness, drowsiness, pain and disease are often the result of allowing dangerous insects the freedom of your fields and your home. Let us find a way to give the health department the necessary funds.

In speaking of typhoid and other diseases common during the summer months the Journal has eliminated the possibility of infection through the milk-supply. This is in all probability the result of Selma's having a milk ordinance already passed and they need not have any fear along that line. Here in Albany there is another story to tell. At the present time we are forced to watch our milk supply as closely as we watch pests to prevent the carrying of disease.

When we have no milk ordinance, when we refuse to allow inspection of one of the most healthful products that we have, we are doing nothing but inviting a danger that is ever lurking near ready to wreck body and mind. The passage of a milk ordinance, we believe, will not cause any great amount of expense to anyone in the dairying business. We believe that ultimately it will mean a distinct asset to their business. People will use milk in larger quantities feeling that they are safe in drinking it, feeling that the stamp of the health department, after examination, has freed the health food from any disease.

Aside from the question of protecting the dairymen, there is a far more important issue in the passage of such an ordinance. Our own health is being safeguarded by the passage of the law, just as we are safeguarded against criminal assault by law with the infliction of penalty imminent to the one committing such an act. The ratification of this mandate within the city of Albany will mean that the health of the citizenry is being protected.

Can we afford to wait any longer on these two matters. Which is more important, our own health or the good health of the mosquito and the fly? What do you wish, sanitary milk supply or a supply that is the genuine article with the possible exception that it carried disease? It is up to the people, the majority, to decide these issues for themselves. These issues mean as much or more to us than other civic problems for without health

Ford's Message To The FarmersBy J. C. Ford
County Farm Agent

POULTRY DEMONSTRATION

TION FLOCKS

Since last fall, nine Morgan County farms have been keeping records on their flocks of hens in co-operation with the poultry specialist from Auburn and the county agent, and have been feeding and managing their flocks as nearly according to instructions as their condition would permit. Several of these flocks have averaged a profit of one cent a day per hen. If they should maintain that record for a year, it would mean \$3.85 per hen or \$365.00 for 100 hens. Of course they are not expected to do that well during the summer and fall months. The owners of these flocks are so

NON-RESIDENT NOTICE

Morgan County Circuit Court

C. S. Chenault,
vs.

J. M. Baber

It appearing to me from the affidavit of plaintiff in this cause that the defendant is a non-resident of the State of Alabama and that certain property of said defendant has been levied upon in this cause, to-wit:

The interest of J. M. Baber in the following real estate, E 1-2 of NW 1-4 Sec. 31, T. 4, R. 5 West all of NE 1-4 of NW 1-4 S. of Fox Creek and W. of Tenn., River all of W 1-2 of SW 1-4 of NE 1-4 South of Tenn. River; W 1-2 of the NW 1-4 of SE 1-4, SE 1-2 of NE 1-4 of SW 1-4, SE 1-4 of SW 1-4 all in Sec. 30, Township 4, Range 5 West, all of said land being in Morgan County, Ala., and the interest of J. M. Baber levied upon being a one sixth undivided interest in the remainder after the death of his mother who owns a life estate in said land.

By virtue of an attachment issued out of the said Court on May 15th, 1925; it is therefore ordered that notice of said attachment and the return thereof be given to the said J. M. Baber by publication once a week for three consecutive weeks before the said return day of said writ, to-wit:

June 16th, 1925 in the Albany-Decatur Daily newspaper published in said County and that a copy thereof be mailed to said defendant at his place of residence at Marshall, Texas.

Given under my hand this the 20th day of May, 1925.

J. L. DRAPER

Clerk

May 22-29 June 5.

well pleased that they are now feeding nice flocks of young stuff with the idea of having their pullets begin laying by November 1st. Some of them will raise from 200 to 300 pullets this year. They are feeding a growing mash, some ready mixed and some home mixed, keeping it where the chicks can eat at will, and feeding a liberal grain ration.

It costs something to feed a pullet in this way, but she will be laying high priced eggs during the fall and winter while the pullet that "roughs it" this summer will still be roughing it during the winter getting ready to lay cheap eggs in the spring.

BOLL WEEVIL MEETINGS IN HARTSELLE AND ALBANY

W. A. Ruffin, boll weevil specialist of Auburn will be in Morgan County Thursday, June 4th. He will hold a meeting in Hartselle about 10 a.m. the location to be determined later. At 2:00 p.m. he will meet the farmers in the Chamber of Commerce auditorium at Albany

Come and ask questions and hear Mr. Ruffin discuss methods of beating the weevil.

FALL CROP

IRISH POTATOES

Morgan County sends out \$30,000 to \$40,000 every year for fall crop Irish potatoes. For two years a few farmers have been trying our Florida grown, Early Rose, seed potatoes of their early spring crop, and have found that they come up better than seed from our spring crop, and yield better and make better market potatoes than Lookout Mountains. Some of the counties across the Tennessee line have been growing these potatoes for several years and now buy seed by the carload.

I can furnish address and price of seed to anyone who may be interested in these potatoes.

JERSEY PICNIC AT FRANKLIN, TENN.

On Thursday, June 11, the Jersey Breeders of Tennessee will hold a state-wide picnic at Franklin, twenty miles south of Nashville. I understand that this will be a good place to get in touch with Jersey cattle men and the Jersey situation, in Tennessee. If enough Morgan County farmers are interested in making the trip to comfortably fill a Lizzie, we might get together and go. If interested, let me hear from you.

GET READY FOR THE FAIRS

The management of the State Fair of Alabama, which will be held in Montgomery, November 2-11 is urging every farmer who has oats, wheat

rye, barley, vetch, crimson clover, bur clover, yellow melilotus, black medic or any other early spring crop to save good liberal samples and hang them up out of the way of rats and fowls so they may be shown in community, county or state fairs.

Hartselle is showing a lot of interest in a county fair and the chances are that one will be held this year. Begin now to get ready.

TWELVE INJURED

NEW YORK, May 29—A gas explosion

singers were injured today in a collision of two subway trains in Bronx. Ambulances hurried to the scene.

You don't know what summer comfort is until you have worn a Society Brand tropical worsted. The cloth is cool, but that's not all. It's cut in that easy but perfectly fitting manner that you don't get anywhere else. Come in and try on a suit. It will be a revelation.

Purity Makes Their Flavor Delightful

Waffles made with Valier's Dainty Flour are always delicious. For Dainty is rich with the natural flavor of the creamy centers of the choicest soft winter wheat—free from phosphate or other adulterants.

The choice wheat used for Dainty is very scarce and hard to get this year. It always costs a premium—but no inferior grade is ever accepted. Nothing but flour made from the finest wheat can give your baking the flavor you always get with Dainty.

THURSDAY EIGHT

Miss Ethel Adams entertained the Thursday Eight at her home on Canal street at their regular meeting. There were two substitutes for the club game, bridge, Misses Pluma King and Susie Smith.

Delectable refreshments were served at the conclusion of the game. Miss Maud Smith received the club trophy for top score.

This was the last meeting of the club until early fall.

PARTY FOR LIDE TWINS

Mr and Mrs. Frank Lide will give a birthday party on Saturday afternoon from 3 to 5 p. m. complimenting their twin daughters, Harriett and Rebecca on their fourth birth anniversary.

Mrs. Milton Lipscomb of Birmingham is expected soon to be the guest of Mr. and Mrs. George Wallace

MUSIC AND EXPRESSION RECITAL AT D. H. S

Miss Lucille Bailey and Mrs. Arwin Draper will present their music and expression pupils in recital on Friday evening, May 29th, at 8 o'clock in the Decatur High school auditorium.

NOTICE TO MEMBERS OF U. D. C.

Each member of the United Daughters of the Confederacy is expected at Oakwood cemetery at 4 o'clock Saturday afternoon, Decoration Day, and they are requested to bring flowers or evergreens to put on the old soldiers graves.

Mrs. J. E. Pierce of Huntsville who has been the guest of Mrs. W. B. Edmundson for several days leaves Saturday for her home.

Mrs. J. R. Smiley, Mrs. W. B. Edmundson and her guest, Mrs. J. E. Pierce of Huntsville motored to Birmingham this week and spent a few days. While there they heard vice president Dawes speak.

Mrs. J. R. Carpenter and daughter Elizabeth will leave Sunday for Rogersville, Ala., and from there to Florence and Sheffield where they will spend the week with relatives. They will be accompanied by Miss Maie Curry of Kentucky.

Mr and Mrs. P. L. Jones of Wilson Dam are expected this evening to spend the weekend with Mr. and Mrs. S. R. Garrison.

THURSDAY CLUB

The Thursday Club met on Thursday afternoon with Mrs. J. R. Daniell with all of the club members present. Sweet peas, nasturtiums and yellow daisies added bright touches to her home.

The bridge prize was won by Mrs. C. C. Cox after which lovely refreshments were enjoyed when they were joined by Mrs. Hall who is Mrs. Daniell's house guest.

SATURDAY CLUB PICNIC

The members of the Saturday club will enjoy an afternoon picnic at Malone Park on Saturday.

DINNER FOR SENIORS OF D. H. S.

The members of the Senior Class of the Decatur High school who graduated this week will be honored with a dinner on Saturday evening at 7 o'clock by Misses Ethel Lanier and Julia Lovin, two of their classmates.

Misses Zana and Cleo Lovin who taught in the schools of Falkville and Munford respectively, the past terms have returned to their home here. They will attend summer school in New York city this summer.

Miss Opal Tomerlin of Chattanooga, Tenn., is visiting relatives and friends in Albany.

Mr and Mrs William F Rawson and baby of Birmingham are the guests of their aunt, Mrs. C. T. Sewell on West Moulton street.

Mrs. J. R. Carpenter and daughter Elizabeth will leave Sunday for Rogersville, Ala., where they will spend the week with relatives.

MARKET

Ladies of Circle Four of Central Baptist church will hold a market at Piggy-Wiggly Saturday morning. Choice cakes and candies. 29-11.

BOBBED HAIR looks wonderful with the tiny tint of Golden Glint Shampoo. 26-4t

Stop those roof leaks—

It's sound economy to make the most of what you have. Here are two Barrett Specialties that give new life to old smooth-surfaced roll roofs.

Barrett Liquid Elastigum, a compound of heavy, waterproofing material and asbestos fibers, provides a thick, durable weather-surface—makes the old roof lastingly storm-proof.

Barrett Plastic Elastigum, the "waterproof cement of a hundred uses," stops roof-leaks—repairs flashings, gutters, etc.—and sticks tenaciously to any sort of surface.

Barrett
ELASTIGUMS

From long experience, we unhesitatingly recommend these two Barrett Products. Both come ready for use. Low in cost, they will save you expensive roof-repairs later on.

If it's a question of roofs come in and ask us.

Herewith is solution to puzzle No. 192.

Tip For Beginners.

Solve this puzzle by comparing the synonyms listed in the "Horizontal" and "Vertical" columns with the number of spaces extending crosswise or downward on the diagram, as the case may be. If a word occurs to you meaning substantially the same as the synonym and the correct number of letters to fit in the spaces between its number and the first shaded stop following, write it in lightly. Work away the small words, the "easy" words, first, and they will give you plenty of clues to the difficult ones.

NOTICE OF APPOINTMENT OF ADMINISTRATION

Probate Court, Morgan County.

Joe Clark, Deceased estate of.

Letters of administration upon the estate of said decedent having been granted to the undersigned on the 14th day of May 1925 by the Hon. L. P. Troup, Judge of the Probate Court of Morgan County, notice is hereby given that all persons having claims against said estate will be required to present the same within the time allowed by the law, or that the same will be barred.

Henry Garrett Administrator.

May 15-22-29.

HARD TIMES IN SCOTLAND STRIP FAMOUS CASTLES

ABERDEEN—Many of the picturesque castles of Scotland are gradually disappearing, or at least being stripped of their articles of historic interest, despite efforts on behalf of various individuals and organizations to preserve them for future generations. The most recent to be in-

Sunday Schools Win Nip And Tuck Tilt
From Decatur In Ninth Inning, 9-8

The Consolidated Sunday school team took another hop pennant yesterday afternoon when they defeated the Decatur team in a last minute spurt. The Decatur team scored a trio in their half of the ninth only to be caught later when the Sunday schools grabbed a pair of counters to end the affair.

Gustin and Perio opposed in hill work with neither having any advantage until the seventh inning when the Sunday schools spiked the dish exactly five times and matters looked

safe for the time being.

Coming in to bat in the ninth inning the Decatur team displayed a fight that carried them for a time into the lead, only to have the margin of victory sponged from the record a few moments later.

The score by innings:

Decatur 101 001 023—8.
C. S. S. 200 000 502—9.

RALSTON PLAYS POWER CO

Ralston's Independent team will meet the Alabama Power company Saturday afternoon at Malone Park at 4:15 o'clock. This will mark the second effort of the Ralstonites to overcome the Power company hitting combination. The first ended rather disastrously in a one sided victory over the Independents.

Butcher Rejoices Over Wife's Recovery

"My wife suffered for five years and practically lived on toast and hot water. Doctors said she would have to be operated for gall stones. A lady advised her to try May's Wonderful Remedy and after taking 4 bottles over two years ago, she has been entirely well ever since." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded at druggists.—Advt.

Phone For Food

It's The Better Way

WHEN you patronize any of the Phone-For-Food Grocers of Albany-Decatur, you not only get the finest foods—standard brands in which you have confidence—but you get convenience and economy.

No need to dress for market. No need to walk in the hot sun, or to endure parking difficulties. No need to carry bulky packages.

Shop by phone and turn the usual shopping hour into a social hour. Select, in the comforts of your own home, from complete, clean, fresh stocks.

The Phone-For-Food Grocers listed in this advertisement make a specialty of phone orders. They fill your orders intelligently, guarantee satisfaction and deliver promptly. Their prices are reasonable. They save you time, and time means money.

TOMORROW, instead of your dreaded shopping trip for Sunday's dinner, try the Phone-for-Food way. You'll like it.
